

# **All About Ms. Jenn**

***Operating Director***

***Fill – In Teacher***

## **About Me:**

I was born and raised in San Jose. I have five brothers and one sister. I am a mother of a 9 year old son and loving every day of it. I have a dog named Fiona. When I am not working in the classroom, I enjoy spending every minute with my son and family.

## **My Education:**

In 2012, I graduated from San Jose State University with a Bachelor's Degree in Childhood Adolescent Development, minor in Psychology. Previously, I completed my Early Childhood Education curriculum at West Valley College. Also, I currently have a Site Supervisor Permit. In the future, I hope to pursue a teaching credential program, as well as a Master's Degree, at SJSU.

## **Why I Want to Work with Children:**

I grew up in a large child-oriented family. This encouraged me to work with children. I have been working with children for the past 14 years. I enjoy my career. I have the patience and am eager to teach. Working with children is not just a job, but a life-long career I have selected for myself.

## **My Goal(s) for this Year:**

My goal is to encourage the children to learn through hands-on experiences and to have fun while learning. I hope to educate them to have self-confidence, be kind to their friends, use their manners, communicate without physical contact and develop their individual self. I plan on implementing lessons to include writing, reading, math, and art.
